EXCLUSIVE DISTRIBUTION&BUSINESS PARTNER

TO WHOM IT MAY CONCERN

This is to certify that Lubrita branded products manufactured and supplied on instructions by **Lubrita India Private Limited, Mumbai, India** to **M/S KRIPA ENTERPRISE, LUDHIANA, and PUNJAB, INDIA** are made as per Product Data Sheet and MSDS provided by company.

Lubrita Products while are being produced by manufacturing location at **Netherland, India &UAE** are tested by nationally accredited in- house laboratory (Pre& Post Production)and meets the performance standard, manufacturing standard and testing standard as claimed on PDS/MSDS.

It is our immense pleasure to introduce our world class products in **the markets of Northern India. THRU our Exclusive Distributor and Business Partner M/S Kripa Enterprise**. We ensure that Lubrita invoiced products by our M/S Kripa Enterprise meets the application which is mentioned in our issued Product data sheet.

We also encourage customer to hand over samples of Lubrita Used Oil for analysis so that we can inform customer about Used Oil Condition and Machine Condition thru our **POST (Progressive Oil sampling Test)** program. **POST** program is a support to large industrial and fleet customer who wishes to enhance their usage interval (periodic maintenance/regular operations) based on oil analysis provided by us and is also an excellent tool for preventive maintenance of machines. For more detail, customers can directly contact our business partner to join in the program.

We solicit Customers Co-Operation to Lubrita Products. Our entire team including our Exclusive Distributor& Business Partner M/S Kripa Enterprise wishes to assure Prospective Lubrita Customer of our best Product and Services always.

FOR LUBRITA INDIA PRIVATE LIMITED.
